At Laura Preschool we support all children, staff, parents and community members to raise any issues or concerns that may affect their learning or general well being. We have the responsibility to listen to and manage any grievances and deal with them in an appropriate manner.

The preschool will not always be able to meet everyone’s needs however we will endeavour to do the best we can in the given situation.

The usual procedure to be followed in addressing a grievance is in the first instance, to approach the person with whom you have the grievance. However, if you feel you are unable to do this, the following is a set of guidelines you may wish to consider. It is important that these grievances are kept CONFIDENTIAL.

The following flow chart outlines procedures for differing situations.

- **If your child is having concerns with another student**
  - Encourage child to let staff know during the day when they have been upset
  - Parents speak to teacher or director about concern

- **If you are having concerns with a staff member**
  - Arrange a negotiated time to speak to the person involved
  - If not resolved please ring the regional office to express your concern 8632 0600
